She sat on her desk while Selina did her homework and sometimes followed Selina when she met Emma in the park.

Then Selina's father got a job in another city one hundred kilometres away. Selina was sad because it meant leaving Emma and her grandfather. She didn't want to go but she had no choice and at least Lucy would be going with her.

Everything was fine for the first few days in the new city. Selina started school and made friends. But on the first Friday, Lucy didn't come to meet her after school. Her parents helped her look in all the streets round the house but they couldn't find her little cat anywhere. Selina cried herself to sleep that night.

But the next day Selina got a text from Emma saying, 'I'm in the park and have seen a cat that looks just like Lucy!' Selina told Emma to take the cat home and asked her mum to drive her to Emma's house. When they got there three hours later, they found the cat was Lucy! Selina and Lucy were very pleased to be together again.
