A Clever Pet

A man in Texas chose the wrong place to hide while he was running away from police officers. He jumped into a garden where the family's pet, Mona, lives. Mona is a 91-kilogram pig. When the pig saw the man, she attacked him and made a very loud noise. So, the police officers knew exactly where to find him. The children in the family love Mona. She makes a very good pet. "She thinks she's a dog," said the pig's owner, Rick Charles. Mona grew up with the family's dogs. Every time someone walked in the street, the dogs ran to the fence and Mona ran behind them. Most people think that pigs are stupid animals, but that isn't true. They are very intelligent and people can train them like a dog. You can teach pigs to guard the house, but they are usually very friendly. They can also make friends easily with the other pets in the house.
